MIDATLANTIC  
RENEWABLE ENERGY  
ASSOCIATION

A Nonprofit Organization Dedicated to Informing and Educating the Public on Renewable Energy Production, Energy Efficiency, and Sustainable Living Practices.

Be Part of  
the Solution

[www.themarea.org](http://www.themarea.org)

◀ **Current Project:** Solar Hot Water System, Opportunity House, Reading, PA

The largest renewable energy event in the Mid-Atlantic Region

## The MAREA Mission

*The Mid-Atlantic Renewable Energy Assoc. (MAREA) is a nonprofit organization, dedicated to informing and educating the public on renewable energy production, energy efficiency, and sustainable living through meetings, workshops, educational materials, and energy fairs.*

▲ **2007:** Solar PV Workshop, Kempton Fire Co.

**2009:** Solar PV Workshop, Muhlenburg College

## Workshops

MAREA produced seven highly successful Renewable Energy & Sustainable Living Festivals at the Kempton Fairgrounds and continues to expand its educational mission.

MAREA conducts small group workshops on practical alternative energy projects throughout the year. Learn from experts in the field. MAREA members enjoy special pricing on all workshops.

◀ **2008:** Wind Turbine Workshop, Kempton Community Center

▲ **2009:** Solar Cart Construction for Lafayette College

**2010:** Solar PV Workshop, Kutztown, PA

## Community Education

MAREA works within the community to educate the public about renewable energy and sustainability through events and workshops.

Your membership supports this important work.

**We also conduct monthly meetings at:** TEK Park 9999 Hamilton Boulevard Breinigsville, Pennsylvania 18031 Visit our website: [themarea.org](http://themarea.org) for more information and directions to TEK Park.

The meetings feature speakers, demonstrations and discussions on renewable energy and sustainable living.

Visit the MAREA website: [themarea.org](http://themarea.org) to learn about our upcoming scheduled events.

**2010:** Solar PV Workshop, Kutztown, PA

◀ **2009:** Solar PV Workshop, Penn State, Hazelton Campus

▲ **2011:** Solar PV Workshop, Kutztown, PA

***“These quiet acts of simple cooperation and intellectual generosity may, in fact, be the most important work any of us do.”***

– Dr. Vera Cole, Current President, MAREA
