The MAREA Mission

The Mid-Atlantic Renewable Energy Association (MAREA) is a nonprofit organization, dedicated to informing and educating the public on renewable energy production, energy efficiency, and sustainable living through meetings, workshops, educational materials, and energy fairs.

With your membership we can offer the following services:

Workshops

The MAREA conducts small group workshops on practical alternative energy projects throughout the year. Learn from experts in the field. MAREA members enjoy special pricing on all workshops.

Community Education

The MAREA has an active Education committee that works with local school districts to turn kids on to sustainability through events and workshops. Your membership supports this important work.

Newsletter

Members receive the fact-packed and provocative MAREA electronic newsletter.

PA Renewable Energy & Sustainable Living Festival

The three day festival promotes renewable energy, green building, organic farming, sustainable living, alternative transportation, and green political awareness through speakers, exhibitors, workshops, demonstrations, and vendors.

Featuring nationally recognized keynote speakers and workshop presenters.

MAREA members get in for free.

Express Entry Just One of Many Member Benefits This Year!

Want to avoid waiting in line to get into the PA Energy Fest this year? Renew your membership by August 31st and you'll receive your membership card before the festival. Bring it with you and show it at the gate to walk right in! Of course, that's just one of the benefits you'll receive with your membership. Take a look at the others on the comparison chart!

Professional and Sustaining members, your membership entitles you to a \$20 discount on your PA Energy Fest booth and two passes to share with family, friends, or customers. Sustaining members, you also get a free quarter-page ad, valued at \$275, with membership.

In order to take advantage of these benefits, you need to renew by July 14th.
